Dear Parents,

Additionally, below you will find important health and safety information.

Travel Advisory:

In order to ensure the safety of our students and staff members, we ask you to carefully review the NY State Travel Advisory below. Any families traveling to any of the states listed MUST self-quarantine for 14 days when returning to New York while this advisory remains in effect.

Students who have traveled to any of these locations must self quarantine for 14 days beginning no later than August 24th. Students who traveled and have not quarantined will not be allowed on campus.
